Jordan Health Foundation Presents...

2020 Father Laurence Tracy Tree of Life Donor Appeal
Let's Plant the Seeds Today for a Bountiful Harvest Tomorrow!

Father Laurence Tracy ("Padre Tracy") lived a life of ministry to the poor, to those without a voice; to migrants, those plagued by poverty, discrimination, and unemployment.

Keep the legacy alive...
The Father Laurence Tracy Tree of Life represents Jordan Health in the Rochester Region, with deep roots going back more than 50 years and a canopy that covers the healthcare needs of patients regardless of their ability to pay.

Heart of Health Care Recipients

Erick & Nancy Bond and the Bond Benefits Consulting Team

-Message from Erick Bond-

On behalf of my wife, Nancy, and the Bond Benefits Consulting team, I wish to thank the Jordan Health Foundation Board of Directors for this honor.

As a proud sponsor and partner of Jordan Health for many years, we have seen first-hand the positive impact its myriad services have had on the community – and in particular – our neighbors most in need of affordable, available and quality health care.

As COVID 19 shines a light on racial and ethnic health disparities, it is vitally important that we support Jordan Health’s front-line heroes, as they work tirelessly to care for their patients, as well as themselves. I encourage you to listen to their accounts, as they speak out from the front lines of this pandemic.

When you support Jordan Health, you also pay tribute to the memory of Father Laurence Tracy. The Father Laurence Tracy Tree of Life graces the lobby of the Jordan Center, as it represents his life’s work of tending to those most in need, and for the very deep and enduring relationship between Father Tracy and Jordan Health.

COVID 19 has put additional strain on community health centers, and, therefore, it is up to all of us to assure that Jordan Health continues its vital mission - to provide quality health care regardless of one’s ability to pay.

We thank you in advance for your generous support!
